**PERSONAL SKILLS AND COMPETENCES**

FIRST LANGUAGE **ITALIAN**

OTHER LANGUAGES

- Reading skills good
- Writing skills good
- Verbalskills good

SOCIAL SKILLS AND COMPETENCES I have the ability to form very good relationships. This ability increased capacity during the design work in teams of people, both at university level, in the work place and by participating in various training courses

ORGANIZATIONAL SKILLS The management of my study of architecture and the need to coordinate with contractors and other professionals has increased my ability and organizational skills

TECHNICAL SKILLS AND COMPETENCES PROGRAMMES: Office (word excel, power point), Lotus, Internet explorer, outlook

ARTISTIC SKILLS Artistic ability was consolidated with the attendance of the art high school and college courses

DRIVING LICENCE B license

OTHER SKILLS AND COMPETENCES Awards  
 - IHA Italian Heritage Award - Rome 2013 - Award for the promotion of cultural heritage sponsored by the ' National Association Fidei Signa Fund - I was honored alongside Arch Adele Sironi at the "Award for Knowledge, Protection and Management of Architectural Heritage in 2013 "for the" Project restoration, fund raising and scheduled maintenance for the church of St. Agatha in Carmine ".

Activities as speaker

- In October 2015, in order to promote cultural exchange between Italy and Turkey, I have held seminars at the 'University ITU "Istanbul Technical University" and KURAM "Research Center for the Conservation of Cultural Property of Foundation" in Istanbul , and at the University of Studies of Bergamo (Faculty of Engineering), on "the restoration of an ancient palace of the '700 - Palazzo Spampatti"

- In May 2015, as a creator, designer and construction manager of the project fund raising, restoration and scheduled maintenance for the church of Sant'Agata in Carmine, I was the speaker during the course OUR ITALY - Course for release of credits for architects and engineers. Theme of the course: "DESIGNING THE RESTORATION: themes, tools, methods and examples". The course put forward a comprehensive and in-depth explanation of restoration projects implemented in the territory of Bergamo and Province in recent years. Examples were presented which were particularly interesting both for the buildings involved and the problems faced.

- In March 2014, as owner of the hosting company associated with ASSORESTAURO, Italian Association for Architectural Restoration and Urban Art, I attended the "Training Course in Italy for Foreign Operators ICE - Assorestaurato" on the theme: "The great interventions of restoration "

At the church of St. Agatha in Carmine, together with Arch. Adele Sironi I explained to a group of 43 Russian architects, course participants (officials FGUP CNRP, the oldest and most prestigious Institute of Restoration in Moscow, university students and professionals specializing in restoration), two major projects implemented by the Studio of Marco Paolo Servalli and Adele Sironi

"Church of St. Agatha in Carmine": an example of a planned restoration, a fundraising project and a maintenance schedule;

"Palace Spampatti": an example of a residential restoration.

- In October and November 2012 I was a speaker at the project called MAE-Regions -China - CULTURAL HERITAGE, THE SOURCE OF WISDOM, HERITAGE OF ALL HUMANITY " "Institutional Partnership between Italian Regions and Chinese Provinces in the Cultural Heritage Restoration and Valorization . "Promoted by the Lombardy Region and Assorestaurato. The project involved holding functions or seminars for Chinese technicians in Italy and a workshop demonstration of technologies, Italian materials and methodologies in China

The objective of the project was to raise awareness of qualified institutions and field technicians,

Date 01/09/2015

technologies and entrepreneurship of the companies that participated in the initiative, in order to give the opportunity to operate or open business relationships more easily in China.
